PRESIDENT: Senator Nichol. Members, order in the Chamber.

SPEAKER NICHOL: Mr. President, members of the Legislature, just a couple of things. In talking to Pat he suggested we probably ought to stay in session until about ten-thirty for reference material. Then in addition to that I would like to say thank you for getting your bills in promptly. You have done a fine job and I am sure we all appreciate that. Secondly, thank you, committee chairmen, for getting your hearing dates set yesterday and it looks like we are in pretty good shape for hearings all the days next week. Of course, you know tomorrow will wind it up somewhere around ten, ten-thirty probably, maybe noon, I don't know. It depends on how many bills come in but most of you have your bills in it looks like with the exception of about three or four members that have four or five bills each. But anyway we should not have a problem the way it looks at this time, and again, thank you for your cooperation. I really appreciate it.
